This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Carl's DBA Apartment Movers, Etc. for approval to amend its tariff by granting a 5% discount to all Chamber of Commerce members in the Charleston metropolitan area that are listed in the Chamber's membership directory.

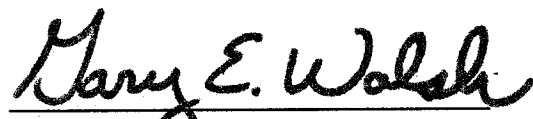

Whereas we have granted different rates in the past for specific and definable classes of customers, it has not been the policy of this Commission to allow discounts such as the one presently requested. The moving industry would not benefit from the practice of allowing discounts such as that requested here. Such a practice has the potential for discriminatory application, though we make no judgment as to whether this is the case with the present request.

For these reasons, we therefore deny the request. This Order shall remain in full force and effect until further Order of the Commission.

Chairman
